SHOOT PROGRAM RULES

This is an invitational shoot and the Club Directors reserve the right to reject, refund, or disqualify any contestant who, in their judgment, interferes with the harmony of the shoot or violates safety or ATA rules or regulations. ATA rules govern all events and referees will make decisions in accordance with them. Targets and target settings will comply with ATA rules. A shooter may only win one trophy in each event. If a shooter is eligible for more than one trophy, they are responsible to notify shoot management within 15 minutes of the completion of that event, which trophy they wish to take or shoot-off for. Special Category will be given priority by if not chosen by shooter.

Classification:

Shooters will be classified according to their known ability and must have their current average card and ATA membership card with them to enter. The following system will be used for the **Singles** and **Doubles Events**:

Singles (4)		Doubles (4)	
A	95% and over	A	90% and over
B	92% and < 95%	B	85% and < 90%
C	89% and < 92%	C	78% and < 85%
D	Under 89%	D	Under 78%

Any shooter who shoots in a class or a handicap yardage higher or lower than the assigned class or yardage will be subject to disqualification and are not eligible for trophies or any purse winnings.

Special Categories:

For the purposes of trophies, Veteran and Senior Veteran will be combined. For Singles & Handicap the other Special Categories are Junior, Sub-Junior, and Lady. These categories must be declared at registration. *Note:* Due to lower numbers of shooters in Doubles, there will be Champ, Runner-up & Jr. awards only.

National Trapshooting Day Pins: NTD pins given to the first 30 registered.

Minimum Class Assignment:

Unless a shooter's known ability can be established (e.g. 500 registered targets in the current and previous years combined or known practice scores, etc.), they will be assigned a minimum of class B (or class C for Ladies and Juniors, and class D for Sub-Juniors) for the singles & doubles events. There will be no penalty yardage assigned to the handicap event. Shooters will shoot their current assigned ATA handicap yardage (18-27).

Make-ups & Shoot-offs:

Any shooter missing all or part of a round, should report to Registration for make-up instructions within 15 minutes after the last squad of the event is completed. Contestants in shoot-offs will be called over the PA system. Those who fail to show within 15 minutes of first call for a shoot-off, forfeit rights to that trophy.
